

ACADEMIA

Dear Researchers and Academicians,

The Journal of the Nigerian Institute of Architects (NIAJ) is pleased to announce a call for papers for our upcoming issue. We invite scholars and researchers from the field of architecture and related disciplines to contribute their original research papers addressing theoretical and practical aspects of architecture.

Topics of interest for academia papers include, but are not limited to:

- 1. Architectural theory and criticism
- 2. Design methodologies and processes
- 3. Sustainable and green architecture
- 4. Urban planning and design
- Heritage conservation and adaptive reuse
- 6. Building technology and construction methods
- 7. Architectural education and pedagogy
- 8. Social and cultural aspects of architecture
- 9. Housing and urban development
- 10. Building codes, regulations, and standards
- 11. Architectural history and preservation
- 12. Digital design and fabrication in architecture
- 13. Interior design and spatial planning
- 14. Landscape architecture and urban ecology
- 15. Design for special populations (e.g., accessibility, inclusive design)

Submission Guidelines

- **1.** Manuscripts should be original and must not have been previously published.
- **2.** Papers should be written in English and follow the NIAJ's prescribed format and style quidelines.
- **3.** All submissions will undergo a rigorous peer-review process to ensure academic rigor and quality.
- **4.** Authors should provide a brief biography and contact information along with their submission.
- **5.** Manuscripts should be submitted electronically through the NIAJ's online submission system.

Important Dates:

We look forward to receiving your scholarly contributions and fostering a robust intellectual dialogue in the field of architecture.
